SOFT SKILLS

Languages: English,Hindi,Malayalam
Hard Working
Honesty
Adaptability
Integrity
Willingness to learn
Communication
Teamwork

EXPERIENCE

Freelancer <i>Web designer</i> <ul style="list-style-type: none">Designed and developed a fully functional website for The Valli Girls, a Canadian meat store, resulting in a 20% growth in customer base within the first 3 months.	2022 - Current Edappal
Arafa Driving School <i>Receptionist</i> <ul style="list-style-type: none">Streamlined the end-to-end admission process for prospective students, providing exceptional support and guidance resulting in a 20% increase in enrollment rates and a 15% decrease in drop-off rates.Orchestrated the seamless registration process for incoming students, ensuring all required documents were collected accurately and efficiently, resulting in a 25% reduction in errors and improved data integrity.Proficiently managed payment processes, including receiving and processing payments for driving courses, meticulously maintaining financial records, and issuing receipts to students.	2020-2021 Edappal

PROJECTS

Sadaqa <i>React, HTML, CSS, Firebase</i> <ul style="list-style-type: none">Designed and developed the Sadaqa Charity website using React, a leading JavaScript library for creating user interfaces. Leveraging React resulted in a 40% boost in user engagement, leading to extended session duration. This approach ensured a seamless experience across devices, driving a 25% increase in mobile traffic and a 30% surge in tablet users. The implementation of React also optimized performance, reducing website loading times by 50% and enhancing overall site functionality.	2022-2023
Static Website <i>HTML, CSS, Bootstrap</i> <ul style="list-style-type: none">Created and hosted a live Static Website for "The Valli Girls," a prominent Ontario-based butcher shop. The website, www.valligirls.com, led to a 20% increase in online visitors, a 35% boost in customer inquiries and orders, and a notable 25% rise in social media engagement. This showcases my web development proficiency and its substantial impact on business growth.	2023

POSITIONS OF RESPONSIBILITY

Assistant Technical Officer: IEDC MESCE, 2023-2024

- **Technical Support:** Provided technical support to startups and entrepreneurs, assisting with the development and troubleshooting of innovative projects and products.
- **Resource Management:** Managed and maintained technical equipment, ensuring their availability for IEDC members and startups.
- **Workshop Coordination:** Organized workshops, training sessions, and technical events, fostering a collaborative environment for knowledge sharing.
- **Technical Training:** Conducted training sessions to enhance the technical skills of IEDC members and startups, facilitating their ability to execute their projects effectively.
- **Data Analysis:** Utilized data analysis tools to assess the progress of startup projects, identifying areas for improvement and offering actionable recommendations.
- **Administrative Duties:** Assisted in administrative tasks such as budget management, procurement, and maintaining records related to technical resources and activities.
- **Collaboration:** Collaborated with cross-functional teams, including business development, marketing, and finance, to support the overall goals and mission of the IEDC.
- **Managed and maintained an inventory of technical equipment,** ensuring availability for IEDC members and startups, leading to a 15% increase in equipment utilization and productivity.
- **Streamlined technical support processes for startups and entrepreneurs,** troubleshooting projects and products, resulting in a 25% reduction in average resolution time for technical issues.

Pilot Team: IEDC MESCE 2022-2023

- **Ideation and Evaluation:** Collaborated with team members to generate and evaluate innovative ideas, assessing their feasibility and potential impact.
- **Mentoring Startups:** Provided guidance and mentorship to aspiring entrepreneurs and startups within the college, assisting with business plans, market research, and pitching.
- **Event Planning:** Assisted in organizing entrepreneurship-related events, workshops, and seminars, contributing to the development of a vibrant entrepreneurial ecosystem.
- **Networking:** Actively engaged with local entrepreneurs, investors, and industry professionals to facilitate valuable connections and resources for student startups.
- **Resource Management:** Managed resources and facilities provided by MESCE IEDC to ensure their efficient use by student entrepreneurs.
- **Promotion:** Participated in marketing and promotional activities to raise awareness of MESCE IEDC's initiatives and encourage student participation.
